

7<sup>th</sup> October, 2024

Dear Parents and Guardians,

**Join Us for Breast Cancer Awareness Day!**

On **Wednesday, October 9, 2024**, let's unite in our fight against breast cancer. We are requesting our children to wear their favorite pink t-shirt or dress to show their support and spread awareness.

Together, we can make a difference and bring hope to those affected by this disease. We are going to share class photos with IECD later on the same day.

Let's stand strong and show our solidarity!

Thank you for your support and compassion.

Warm regards,

Mrs. Verma.
