February 2026

Memories are special moments  
that tell our story.

Ms. Alyssa, Ms. Nasha

 Run wild, laugh loud, play free.

🌀 Just a bunch of happy hearts at play.

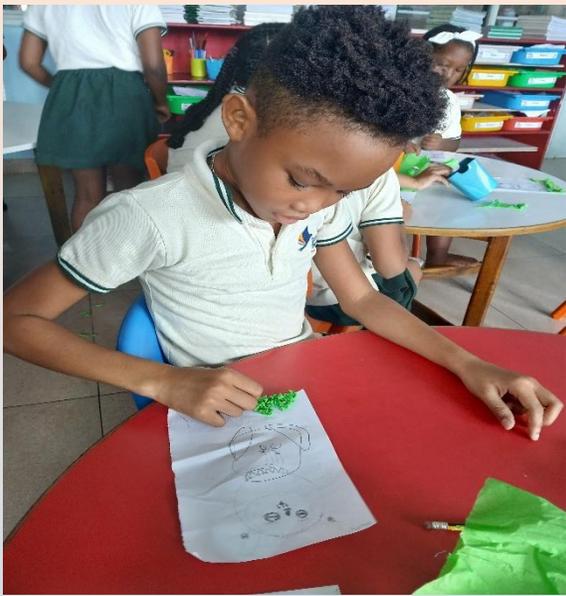

🔥 Bringing the energy,  
one move at a time!

 Picasso in progress!

🎨 Today, we turned half a cookie into a whole lot of imagination! From mushrooms to smiling faces, the children proved that with a little creativity, even a simple cookie can become a masterpiece. ✨

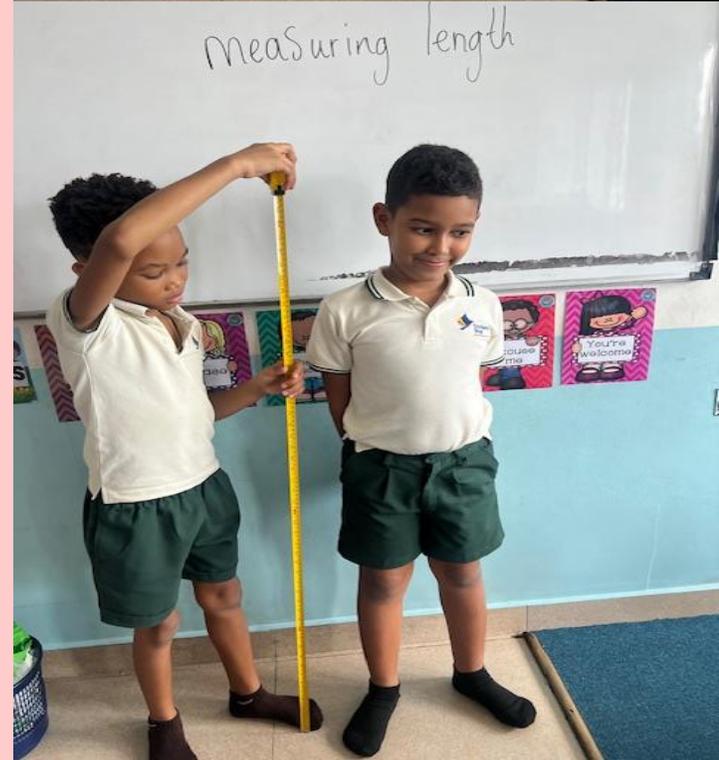

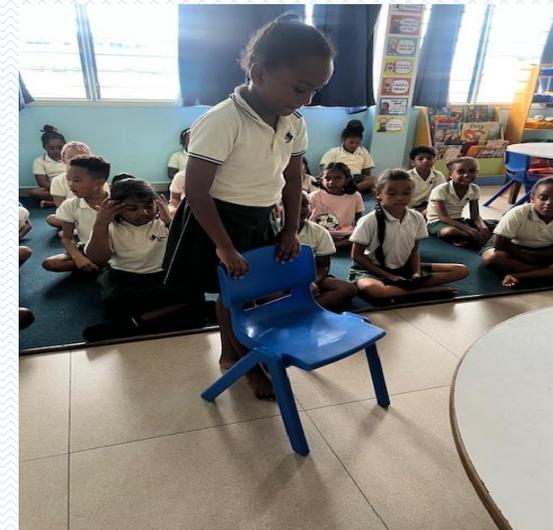

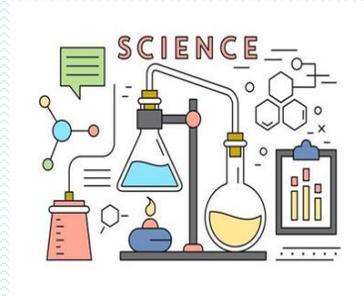

♥ Classroom full of love and giggles.

📏 ✨ In today's math lesson, the children had fun using measuring tapes to measure the height of their friends—learning about length the hands-on way and turning numbers into real-life discoveries! 😊📏

Our young scientists are exploring forces by pushing and pulling different objects in Science today! 🔬

 Our talented students enjoying Music class with Mr. Payet.
