

The background is a vibrant space scene. On the left, a large, bright blue planet with a glowing ring system is partially visible. In the bottom right corner, the dark, cratered surface of the Moon is shown. The rest of the background is a deep black space filled with numerous white stars of varying sizes and colors, including some with prominent diffraction spikes.

A special day for the kiddies

Happy
Children's
Day

"We are blessed beyond words to
have you in our lives. Happy
Children's Day to our amazing child!"

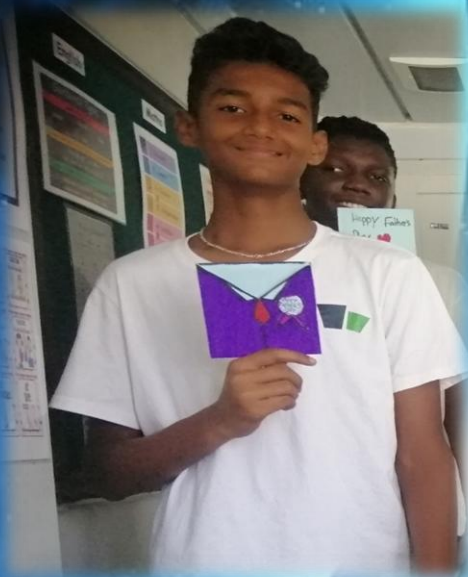

We need to encourage
our kids to love
to eat real food -
honest, nutritious,
healthy food.
Less fast food.
Less junk food.
And they need to
see us eating healthy
by example.

It's fun to get together
and have something
good to eat at least
once a day. That's
what human life is all
about-enjoying things.

All the best for the outstanding performance during the academic year. Keep up good work!

A vibrant space-themed background featuring a deep blue and black cosmic scene. A large, bright yellow planet with a textured surface is partially visible on the left. In the bottom right corner, a large, detailed blue planet with white clouds and dark spots is shown. The background is filled with numerous white stars of varying sizes and brightness, some with prominent diffraction spikes. A small portion of a red planet is visible in the top right corner.

Dear Year 8,

Thank you very much for the best support and academic growth that you have made through out this academic year. I wish you all the best for a wonderful and amazing time ahead with blessings and achievements. I am so proud of you.

Thank you.

Ms. Manisha.
