

HAPPY HALLOWEEN

09th October 2023

Dear Parents/Guardians,

We're excited to announce the return of our favourite Halloween Party and Creole Festival at our school, on Tuesday, 31st October 2023.

Our parents are always more excited than children when it comes to dressing up for Halloween! Children can dress up as anything you can imagine for Halloween, or traditional Creole attire. Teachers will organize a full day of fun activities for the students, including games, sing and dance, ramp walk, and many more. The PTA will have a sharing box of sweets for children at the end of the day.

PTA is organizing the Mufti Day (students don't have to wear their uniforms), and each child must pay a nominal SR 25 to participate. The money will be channeled to the PTA fund for their various activities throughout the year.

Parents who are willing to contribute Creole snacks are requested to contact the respective class- teacher well in advance and deliver it at the school on the morning of Tuesday 31st October 2023.

We would like to remind our parents about the mid-term break i.e., 23rd – 27th October.

We look forward to your usual support and contribution in making this event a success!

Best Regards,

Mrs. Verma.
